Storm Conquered (Storm Damages Book 4) By Magda Alexander

Book 4 in the Storm Damages Series

A Rebellious Spitfire . . .

When Brianna Storm discovers her illegitimacy, she abandons everything dear to her. Where she once took pride in her work, she now turns a blind eye to the thefts and destruction at the Brazilian project she manages and spends her time erotic dancing at the local bar. In reality her antics are a diversion to a threat against her family. A threat which may claim the life of an innocent soul.

An Honorable Man . . .

Jake Cooper, her former bodyguard, arrives in Brazil to fix whatever's wrong with Brianna and get the project back on track. To do that he must take on a new role—that of her lover. Something he's reluctant to do. He's carried a torch for her since the day they met and refuses to be her plaything. But when forces beyond their control threaten not only their safety but the life of someone closely related to her, they must face their enemy together, even if to do so would destroy them both.

Editorial Review

Review

I LOVED every one of the STORM SERIES books and her new book, STORM CONQUERED, is no exception. Magda Alexander knows how to suck you in to the story from the very first page. All her books have just the right amount of brutal honesty, intrigue, passion, and enough misunderstanding among her characters (to cause problems) to keep you coming back for more time and time again. Dawn Eaton (Amazon reviewer)

LOVED this whole series... Magda is an exceptional author. Book 4... I could not put it down...Was up until 730 this morning finishing it..... it has lots of action, intrigue, who done its, and a surprise or two. And sex, let's not forget about the sex. Bravo Magda. I will definitely be looking into other books by this awesome author. Marcey (Amazon Reviewer)

About the Author

Magda Alexander loves piña coladas and walks in the rain. Okay, enough of that. Rewind.

Magda loves reading steamy romances which she's been doing since she was ten. Ummm, that's not quite true. Steamy romances did not exist when she was ten, and if they had, she's pretty sure her mother would not have allowed her to read them. She did read the hand-holding, longing-glances kind, along with her catechism, which got her into trouble more than once. Mother Superior was not amused.

As soon as sexy romances came into existence, thank you Rosemary Rogers, she's been lapping them up. So when it came time to write one, guess what she wrote. A no-brainer, right?

Magda, a lifelong learner, graduated from the University of Maryland where she majored in Business Administration (because her family had to eat) and minored in English (because she needed to dream). She's lived in Maryland most of her life and now resides close to the Catocin Mountains in a city whose history dates back to colonial times.
