The Legion of Super-Heroes: The Great Darkness Saga By Paul Levitz

The godlike Darkseid emerges in the 30th century with an ingenious plot to finally conquer the universe in Paul Levitz and Keith Giffen's timeless Legion of Super-Heroes epic!

Using his faithful minions to acquire all of the mystic artifacts of the time, Darkseid gains mental control over a race of three billion all-powerful beings. Now, as their universe teeters on the edge of Armageddon, the Legion of Super-Heroes amass their own army of every champion who ever held the status of Legionnaire to stand against the Dark Lord and his invincible soldiers. But as the Legion suffers defeat after defeat, they realize that salvation and victory rest in the hands of a mysterious baby that has aged into adulthood before their very eyes!

This is the perfect edition of the classic Levitz storyline that was decades ahead of its time and still stands as one of DC's most enthralling superhero tales! Collects LEGION OF SUPER-HEROES #284-296 and ANNUAL #1.

Editorial Review

Amazon.com Review

It's pretty hard to argue with comic books in trade paperback form. The price is good, and the convenience of having a bunch of stories or a whole story arc in one volume is unbeatable. Still, there's something to be said for having read the *Legion of Super-Heroes'* Great Darkness Saga back in the '80s, when the mystery gradually unfolded of a super-villain who seemed to be able to take the best of what the 30th-century megagroup had to offer and give it back with spades. Back then, you could devour each issue then agonize for a month while waiting for the next clue of the identity of the mysterious and powerful master. In trade paperback, however, there's no waiting, and you can spoil the mystery just by taking a look at the cover. Regardless, this epic by Paul Levitz and Keith Giffen was the best of the modern Legion stories, and one of their best ever. It encompasses issues 287 and 290-294, plus the later Annual 3 that serves as an epilogue to the main story. If you're just picking it the Legion for the first time, not all the details of the characters will make sense (e.g., the problems of Chameleon Boy, the triangle of Saturn Girl, Lightning Lad, and Timber Wolf), but the power of the main story is strong enough to carry the reader through. --*David Horiuchi*

From reader reviews:

Robert Tyson:

This The Legion of Super-Heroes: The Great Darkness Saga is great e-book for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. This kind of book reveal it info accurately using great organize word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but tough core information with lovely delivering sentences. Having The Legion of Super-Heroes: The Great Darkness Saga in your hand like keeping the world in your arm, facts in it is not ridiculous a single. We can say that no publication that offer you world with ten or fifteen moment right but this guide already do that. So , this is certainly good reading book. Hello Mr. and Mrs. active do you still doubt which?

Judith Judd:

In this period globalization it is important to someone to get information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. Often the book that recommended to your account is The Legion of Super-Heroes: The Great Darkness Saga this publication consist a lot of the information of the condition of this world now. This specific book was represented how do the world has grown up. The terminology styles that writer use for explain it is easy to understand. The actual writer made some exploration when he makes this book. Here is why this book ideal all of you.

Duncan Houghton:

A lot of book has printed but it is different. You can get it by web on social media. You can choose the most beneficial book for you, science, amusing, novel, or whatever by means of searching from it. It is called of book The Legion of Super-Heroes: The Great Darkness Saga. Contain your knowledge by it. Without making the printed book, it could possibly add your knowledge and make a person happier to read. It is most essential that, you must aware about guide. It can bring you from one location to other place.

Effie Steger:

A lot of people said that they feel weary when they reading a guide. They are directly felt this when they get a half parts of the book. You can choose often the book The Legion of Super-Heroes: The Great Darkness Saga to make your own reading is interesting. Your current skill of reading ability is developing when you similar to reading. Try to choose basic book to make you enjoy you just read it and mingle the sensation about book and examining especially. It is to be very first opinion for you to like to wide open a book and go through it. Beside that the guide The Legion of Super-Heroes: The Great Darkness Saga can to be your new friend when you're really feel alone and confuse in what must you're doing of these time.
