The Winning of the West, Volume 2: From the Alleghenies to the Mississippi, 1777-1783 By Theodore Roosevelt

After political defeats and the loss of half his capital in a ranching venture in North Dakota, Theodore Roosevelt began writing his ambitious history of the conquest of the American West in 1888. He projected a sweeping drama, well documented and filled with Americans fighting Indian confederacies north and south while dealing with the machinations of the British, French, and Spanish and their sympathizers. Roosevelt wanted to show how backwoodsmen such as Daniel Boone and Simon Kenton, followed by hardy pioneer settlers, gave the United States eventual claim to land west of the Alleghenies. Heroism and treachery among both the whites and the Indians can be seen in his rapidly shifting story of a people on the move. By force and by treaty the new nation was established in the East, and when the explorers and settlers pushed against the Mississippi, everything west of the river was considered part of that nation.

Roosevelt's second volume further illustrates his contention that no regular army could have prevailed in the border fighting, only toughened individual frontiersmen. Here Boone is seen again, as well as George Rogers Clark, the conqueror of the Illinois country. Roosevelt shows how the American Revolution helped the newly independent peoples take over the West.

Editorial Review

From Library Journal

Originally published in 1894 prior to his presidency, this is Roosevelt's sweeping saga of the settling of the West, from the Lewis and Clark expedition to the statehood of Kentucky, Ohio, and Tennessee. Though not an unbiased historian, Roosevelt tells an exciting tale.

Copyright 1995 Reed Business Information, Inc.

Review

"The Winning of the West remains one of the greatest works of western history. . . . [It] reflects the character of its author. It is sometimes quirky and full of prejudices and blind spots, but it is cultivated and sweeping in its learning and encompassing in its judgments."—John Milton Cooper Jr.

(John Milton Cooper Jr.)

From the Back Cover

Volume two of Roosevelt's ambitious history of the conquest of the American West in 1888. In it he projected a sweeping drama, well-documented and filled with Americans fighting Indian confederacies north and south while dealing with the machinations of the British, French, and Spanish and their sympathizers.
