Will YOUR Dog Reincarnate? By Gail Graham

When Gail Graham's dog reincarnated, she didn't know what to think. Could such a thing really happen? Was it possible? Or had her awful grief made her a little bit crazy? She'd never heard voices, or seen a ghost. Nothing like this had ever happened to her before. Even so, she found it hard to believe she was crazy. Then she discovered that she was not alone. Hundreds of other people had had the same experience. Dogs reincarnate every day. Because of the length of the human life span, human beings can't usually reincarnate and rejoin their loved ones again in this life. But because dogs' lives are so much shorter, they can -- and do -- reincarnate and return to their beloved owners. What about your dog? Do you want him to come back to you? This amazing, true story tells you how it can happen.
