Zhuangzi and the Happy Fish From University of Hawaii Press

The *Zhuangzi* is a deliciously protean text: it is concerned not only with personal realization, but also (albeit incidentally) with social and political order. In many ways the *Zhuangzi* established a unique literary and philosophical genre of its own, and while clearly the work of many hands, it is one of the finest pieces of literature in the classical Chinese corpus. It employs every trope and literary device available to set off rhetorically charged flashes of insight into the most unrestrained way to live one's life, free from oppressive, conventional judgments and values. The essays presented here constitute an attempt by a distinguished community of international scholars to provide a variety of exegeses of one of the *Zhuangzi*'s most frequently rehearsed anecdotes, often referred to as "the Happy Fish debate."

The editors have brought together essays from the broadest possible compass of scholarship, offering interpretations that range from formal logic to alternative epistemologies to transcendental mysticism. Many were commissioned by the editors and appear for the first time. Some of them have been available in other languages?Chinese, Japanese, German, Spanish?and were translated especially for this anthology. And several older essays were chosen for the quality and variety of their arguments, formulated over years of engagement by their authors. All, however, demonstrate that the *Zhuangzi* as a text and as a philosophy is never one thing; indeed, it has always been and continues to be, many different things to many different people.

From reader reviews:

Faye Wilson:

Throughout other case, little people like to read book *Zhuangzi and the Happy Fish*. You can choose the best book if you like reading a book. Provided that we know about how is important any book *Zhuangzi and the Happy Fish*. You can add understanding and of course you can around the world with a book. Absolutely right, due to the fact from book you can realize everything! From your country until eventually foreign or abroad you will be known. About simple factor until wonderful thing you may know that. In this era, we could open a book or even searching by internet product. It is called e-book. You can utilize it when you feel weary to go to the library. Let's learn.

Ella Hodge:

As people who live in typically the modest era should be update about what going on or data even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know what type you should start with. This *Zhuangzi and the Happy Fish* is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Anita Sizemore:

Spent a free a chance to be fun activity to try and do! A lot of people spent their free time with their family, or all their friends. Usually they undertaking activity like watching television, gonna beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Will you something different to fill your free time/ holiday? Could possibly be reading a book might be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the book untitled Zhuangzi and the Happy Fish can be good book to read. May be it could be best activity to you.

Mary Otter:

People live in this new morning of lifestyle always make an effort to and must have the spare time or they will get great deal of stress from both lifestyle and work. So , whenever we ask do people have time, we will say absolutely of course. People is human not really a huge robot. Then we consult again, what kind of activity have you got when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is usually Zhuangzi and the Happy Fish.
