By Ursula K. Le Guin, Lao Tzu

No other English translation of this greatest of the Chinese classics can match Ursula Le Guin's striking new version. Le Guin, best known for thought-provoking science fiction novels that have helped to transform the genre, has studied the *Tao Te Ching* for more than forty years. She has consulted the literal translations and worked with Chinese scholars to develop a version that lets the ancient text speak in a fresh way to modern people, while remaining faithful to the poetic beauty of the work. Avoiding scholarly interpretations and esoteric Taoist insights, she has revealed the *Tao Te Ching*'s immediate relevance and power, its depth and refreshing humor, in a way that shows better than ever before why it has been so much loved for more than 2,500 years. Included are Le Guin's own personal commentary and notes on the text. This new version is sure to be welcomed by the many readers of the *Tao Te Ching* as well as those coming to the text for the first time.

### Editorial Review

#### Amazon.com Review

Like Stephen Mitchell, acclaimed author and poet Ursula K. Le Guin has attempted a nonliteral, poetic rendition of the *Tao Te Ching*. She brings to it a punctuated grace that can only have been hammered out during long trials of wordsmithing. The wisdom that she finds in the *Tao Te Ching* is primal, and her spare, undulating phrases speak volumes. By making the text her own, Le Guin avoids such questions as "Is it accurate?" By making it her own, she has made it for us--a new, uncarved block from which we are free to sculpt our own meaning.

#### Review

"Reading [Le Guin's] translations is like taking a shared walk down a familiar trail where we discover rocks and water that we somehow missed before. . . . undeniably refreshing, capturing a language that is casual and clear, reflective and pointed, full of the wise humor of the Way."—*Parabola*

"A student of the Tao for several decades, Le Guin has created an English text that will speak to modern readers in a fresh and lively way, while conveying the humor, insight and beauty of the original."—*Shambhala Sun*

"Ursula K. Le Guin's translation of the *Tao Te Ching* is a personal and poetic meditation. Through her own careful study of these ancient teachings, she brings the Way into contemporary life. Each day, I open this book at random and receive a contemplative gift. These words are akin to water in the desert."—Terry Tempest Williams, author of *Refuge*

"Among the many translations of Lao Tzu's *Tao Te Ching*, Ursula K. Le Guin's new version is a special treasure—a delight. There is something startlingly fresh and creatively alive here, brought forth by Ms. Le Guin's intuitive and personal ingenuity. Her rendering has moved me to return to the original Chinese text with rejuvenated fervor, rejoicing in the ineffable sageness that lies in and between Lao Tzu's lines."—Chuangliang Al Huang, founder of the Living Tao Foundation, coauthor (with Alan Watts) of *Tao: The Watercourse Way*
