Or do you respond to the natural inclination to guide, direct and protect your partner? Are your friends and family having difficulty understanding that your relationship works more like a captain and first mate on a boat?

If so, this innovative book, *Leading and Supportive Love, the Truth about Dominant and Submissive Relationships*, can help with new and clearer understanding of yourself, your relationship and acceptance with those that you love and care for.

The Dominant and Submissive Relationship is an ancient and contemporary harmonious dance that has become mysterious, magnetic, powerful, and controversial in modern day society. It may not be what you think, and some of the truth may surprise you!

Through history to modern day, both roles have been held by both men and/or women...Oh and yes, this is a relationship where both partners are equals.
