Love Surfaced By Michelle Lynn

The equations are simple.

Piper Ashby + Brad Ashby = Twin Siblings
Brad Ashby + Tanner McCain = Best Friends
Piper Ashby + Tanner McCain = Off limits

Tanner and I abided by the rules. We stayed on our designated sides of the relationship circle.

Ignoring swarming butterflies.
Brushing off skipped heartbeats.
Settling on lingering stares.

Here's the secret ... a hand extended over that invisible line once, exponentially changing the equation. I was convinced we could make our relationship work until Tanner broke the trust he embedded in me from the age of seven.

One deceit of mega proportions and the relationship we built for that short month vanished. I swore never to speak to him again and it's worked. Until now—two years later, when my brother's wedding places me face-to-face with the best man—Tanner McCain.

Leaving one equation to be solved. Can love surface twice?
