### Miniature Projects with Polymer Clay By Sue Heaser

Sue Heaser has written dozens of articles for dolls house and miniatures magazines published on both sides of the Atlantic over the past 20 years. This book is a fascinating compilation of some of her most popular miniatures projects first published in Dolls House and Miniature Scene magazine in the UK between about 2000 and 2010. They are aimed at a range of abilities from beginners to more advanced. Sue has always challenged the way polymer clays are used and most of the miniatures in this book are an exploration of “other things besides food” that you can make with these marvellous clays that can simulate so many materials to perfection. Many of the models have moveable parts such as a winding handle on a miniature gramophone, a balancing set of dolls house scales and a tiny globe that spins. A unique collection to delight any keen miniaturist or dolls house enthusiast!

### Editorial Review

#### About the Author

Sue Heaser has worked professionally as a writer for over 20 years and is the author of 15 major craft books as well as a growing list of eBooks that are available world wide. She specialises in polymer clay, metal clay, jewellery making and miniatures. She also writes fiction and has published two musicals for children. After a childhood spent in the Far East, Middle East and Africa, Sue studied at art college and university in Great Britain. She first worked as an archaeological illustrator before turning to a career as a writer, designer and teacher. She has taught polymer clay and metal clay workshops all over the world as well as on cruise ships. She is a qualified Art Clay Senior Instructor and has taken Master classes in the subject in Japan. She founded the British Polymer Clay Guild in 1997 and Art Clay World UK Guild in 2005. She is an accomplished artist working in oils and watercolour and teaches regular art classes. Sue is married with two daughters and lives in rural Suffolk, England, UK. She is a keen musician and plays the violin, viola and piano accordion. She also enjoys sailing, swimming - and mountain hiking with her sketchbook in hand.

### Users Review

#### From reader reviews:
