**Ormus: The Secret Alchemy of Mary Magdalene - Revealed, Part A** By William Hearth

[Volume 1] *"Hearth wastes no time getting straight to the heart of the matter: a compelling introductory work to his new novel "ORMUS The Secret Alchemy of Mary Magdalene"*

- "A MUST READ for anyone interested in the secret truth behind Mary Magdalene, TEMPLAR executions, ESSENE mystery schools; the persecutions of Magdalene's family and her constituency."
- The percentage of ORMUS found in the human body varies greatly depending on the dietary practices of the individual. Hence fasting is always mentioned in all texts relating to holy men and women. The Tara, Dakini, Durgee, the Black Madonna, and MahaKala all representative of processes involved in transfiguration of Tantric yogis and yoginis.
- The objective is to arrange the human laboratory in such a way as to achieve an ORMUS-laden critical-mass, within a healthy body; the laboratory of the human body, being representative of the true alchemist's crucible.
- pH swings in the process of transmuting "lead into gold" were always represented as colorations of an elixir: *Red Dragon, Green Dragon, Blue Body of Krishna, Green Tara, Golden Flower, and of course the White-Light Body of the Christ.*
- One day some of us will live in the Light. *We will eat, drink and breath the Light.* Like the lowly worm, having woven a platinum-silky cocoon, eventually emerges as a beautiful butterfly; so too will we, one day, live, breath and glide through the Light.
- Some creatures live in water; while others transitioned to an amphibious existence; others migrated successfully to a land-based home; others fly through the air with the greatest of ease.
- "A NO NONSENSE primer for those awaiting the greatly anticipated novel from newly acclaimed author William Hearth"
- "Was JUDAS a favorite disciple of Mary's? Was he framed by Saul of

Tarsus?"

- "The Secret Alchemy of Mary Magdalene will enthrall, educate; elucidate."
- "If you love Mary Magdalene; everything she stands for, this is a must-read, must-own"
- Mary Magdalene; Cleopatra's MFKTZ-ORMUS: What is it?

### Editorial Review

Review

**TWO THUMBS UP!**, May 2, 2008

*"A book written for intelligent people! Magnificent at so many levels! A pioneering work: Rating 5 stars!"*

By

Henry Stonehall "Henry Stonehall" (London, UK)

- **This review is from: ORMUS The Secret Alchemy of Mary Magdalene ~ Revealed ~ [Part A]**

From the Author

- Hearth speculates that, *"At a time when ancient vegetarian philosophies clashed with the Judaic-temple practice of slaughtering innocent animals for blood sacrifice-"* one question in particular begs an answer: *"What if the ebionites and essenes were actually vegetarians?"*
- Their Way of Life and dietary practices would have caused them to be labeled as heretics and outcasts throughout Judean society as being Blasphemous... A crime punishable by death," whereas these days, such knowledge might elicit a more conscious, enlightened Way of Life. [essene.net](http://essene.net)
- Hearth is publicizing the arrival of the books in a novel way. He has recently completed a 40-day vegan juice-fast designed to demonstrate that these ancient ideals, remain valid, as a way forward today, and are applicable in averting imminent environmental collapse. Hearth is planning a follow-up fast of 60-120 days, commencing mid to late November 2011.

From the Back Cover

**I.N.R.I.**

For the Druidic Initiates, Hebrew Kabalists and Egypto-Arabic Alchemists (and *in other esoteric societies*) **I.N.R.I.** might have looked a bit more like this:

- **Iammim** ~ WATER
- **Nour** ~ FIRE
- **Rouach** ~ AIR
- **Iebeschach** ~ EARTH

*Igne nitrum raris invenitur.*

- Which translates as: **"Fire is discovered in Nitrum."**
- Something that the Nabataean horse-masters would have understood.
- Crystals of **NITRUM** formed regularly in the eves of stables, especially in arid climates, as a result of the copious amounts of horse urine found therein.

To the unenlightened, **I.N.R.I.** may have appeared as King of the Jews. But in Christ's own words... *"You have eyes but you don't see. You have ears but you don't hear."*

## **Users Review**

### **From reader reviews:**

#### **Helen Thibodeaux:**

What do you about book? It is not important along? Or just adding material if you want something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? Every person has many questions above. The doctor has to answer that question simply because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need that Ormus: The Secret Alchemy of Mary Magdalene - Revealed, Part A to read.
