He'll teach her how to bring a man to his knees...

Dr. Ellie Swan has a plan: open her practice in tiny Bluelick, Kentucky, so she can keep an eye on her diabetic father, and make hometown golden-boy Roger Reynolds fall in love with her. But Ellie has a problem. Roger seeks a skilled, sexually adventurous partner, and bookish Ellie doesn't qualify.

Tyler Longfoot only cares about three things: shaking his bad boy image, qualifying for the loan his company needs to rehab a piece of Bluelick's history, and convincing Ellie to keep quiet about the "incident" that lands him on her doorstep at two a.m. with a bullet in his behind. The adorable Dr. Swan drives a mean bargain, though. If sex-on-a-stick Tyler will teach Ellie how to bring a man to his knees, she'll forget about the bullet. Armed with *The Wild Woman's Guide to Sex* and Tyler's lessons, Ellie is confident she can become what Roger needs...if she doesn't fall for Tyler first.

Editorial Review

Review

"I can't even explain how fun this book was to read!" - **Crystal Fulcher Vine Voice.**

"Holy Torpedoes! I knew this book would be sexy, but I didn't know it would be "SEX-SAY!" Like hot. Really hot. Amazingly HOT!" - **Alleycat**

"Completely love this book. Funny, sexy and captivating." - **Alves**

".. if you are ready to fall in love with a small town romance that is layered with heat, passion, charm, and eccentric characters then I suggest you give this book a try." - **Michelle Tan, fourchicksflippingpages.weebly.com**

"I really enjoyed this book, it didn't take me long to kind of see how the story would pan out but even so I knew as soon as I started reading it I wasn't going to be able to put it down." - **Katie Matthews, Goodreads**

"What I love about the novel is that it is a mixture of sweet, sassy, and funny." - **Connie, Amazon reviewer**

"I was feeling wiped out from the books I've been reading lately and was desperately in need of something light to read. This hit the spot. It was uncomplicated, cute, a bit funny here and there and had some sexy scenes plus was well written on top of it all. It was just what I needed to relax my mind...." - **Keri, Goodreads**

"A fun, sexy, naughtily sweet and thoroughly enjoyable quick read." - **Christina, Goodreads**

"Holy crap on a cracker. Know why I love Samanthe's books so much? Her characters are so real. They have just enough angst to cause conflict, but it's never over the top. There's never needless drama that stems from a lack of communicating. You don't spend the whole book wanting to strangle the characters for being so blind. The chemistry she builds between them is tangible, and the sex scenes are seriously hot." - **Jenn Hype, Goodreads, Author**

"Loved it from start to finish! Beck has a wonderful writing style. Her hero was yummy, her heroine relatable, and they both sprung to life from the pages. Sexy and satisfying romance, can't wait to read more by this author." - **Amelia Strydom, Goodreads**

"When I finished it, I immediately went and bought the next in the series! I would recommend this to anyone wanting a light, steamy and humorous read!" - **Trea, Goodreads**

From the Author

Private Practice was my debut novel, and you only get to be a debut author once. It's kind of like losing your virginity, but with slightly less tequila, and *a lot* more people. I want to thank everyone who made "my first time" such an amazing experience, (the book, I mean). Big, sloppy thank-you kisses to...

My husband, for not calling a lawyer or a psychiatrist when I told him I wanted to quit my job and become a writer.

My little guy, for introducing me to the joys of motherhood...and Lunchables.

Sheila Tenold, for reading a scary rough draft of this story and saying, "Go for it!"

The lovely Maggie Kelley, for constant, genuine positivity I could only hope to emulate through the use of controlled substances.

My writing mentor, Lynne Marshall, and my fellow Entangled authors Robin Bielman and Hayson Manning, for preparing me in ways I didn't even realize for the next part of the writing journey.

Cari Quinn, for 1) being Cari Quinn, and 2) the nice stuff she said on the cover.

Indefatigable Sue Winegardner...all-night reader, speed-editor, logic-checker, REALITY checker.

Heather Howland, for saying, "Yes!" For telling me what questions to ask, and then answering them, and, oh yeah, for a cover straight out of my wildest dreams. It's like you're in my head--sorry about that.

And last, but never least, to Mom.

I need to add a massive THANK YOU to the readers who enjoyed the sexy adventures of Tyler & Ellie. Because of you, there are now two more books in the Private Pleasures series! Here's me pretending to be the Amazon search algorithm...

If you liked Private Practice, (Book 1 in the Private Pleasures series) you might also like:
