While much of Mark's work confirms the existence and continued operation of the Illuminati today, he is also dedicated to debunking conspiracy theories and hoaxes and separating the facts from the fiction; hence the "Facts & Fiction" subtitle for several of his books. He has a bachelor's degree in communication from California State University.

The term "fighting the New World Order" is used by Mark to describe some of his activities, and refers to his and others' resistance and opposition (The Resistance) to the overall system of political corruption, illegal wars, elite secret societies, mainstream media, Big Brother and privacy issues; as well as various economic and social issues. Dice and his supporters sometimes refer to being "awake" or "enlightened" and see their knowledge of these topics as part of their own personal Resistance to the corrupt New World Order. This Resistance involves self-improvement, self-sufficiency, personal responsibility and spiritual growth.
