Editorial Review

About the Author

William Shakespeare (26 April 1564 (baptised) – 23 April 1616) was an English poet, playwright and actor, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the "Bard of Avon". His extant works, including some collaborations, consist of about 38 plays, 154 sonnets, two long narrative poems, and a few other verses, the authorship of some of which is uncertain. His plays have been translated into every major living language and are performed more often than those of any other playwright.

Users Review

From reader reviews:

Marilyn Apperson:

Throughout other case, little persons like to read book A Lover's Complaint. You can choose the best book if you love reading a book.
