A Summary of Christian Doctrine By Louis Berkhof

Just as Berkhof's Systematic Theology is outstanding in its own field, his Summary of Christian Doctrine is unequalled as a popular handbook of Christian doctrine, written from an evangelical and reformed standpoint. Systematically arranged and helpfully sub-divided, A Summary of Christian Doctrine has proved ideal for church study-groups. Passages for memorization and questions for review at the close of each chapter enhance the book's value for the student.

Editorial Review

From the Back Cover

We admire this book for its clarity and for its fresh presentation of familiar material. The lessons are short and to the point. We know of no book on doctrine we would rather recommend to those who want a volume to which they can turn for a brief but sufficiently complete statement of the Bible's teachings.

About the Author
