"This book will make your heart smile." —Kristan Higgins, *New York Times* bestselling author

This sparkling debut dives right in to everything funny, flirty, and fiery about modern dating with the tale of a sexy singles auction that comes with the prize of a lifetime...

As far as Cherry Ryan is concerned, the bright lights of Hollywood are nothing but glare after her heart is broken on a reality show for millions to see. Instead she's throwing herself into fundraising for the local community center that was a priceless lifeline to her as a kid. But when a volunteer for the singles auction bails at the last minute, Cherry finds herself on the block—and sold to Jason Valentine, a handsome contractor with a gorgeous body—and a really bad attitude about her days in the limelight…

Cherry soon finds that Jason's more than eye candy, and not entirely sweet—especially his quest to win the bid for the center's renovation. Mixing business with pleasure doesn't seem like such a good idea—until Jason has a chance to reveal the big heart beneath his surly exterior. Cherry's falling for him hard, but trust isn't easy when you've been burned. To conquer her fears will take a giant leap of faith—straight into the spotlight again...
