“I always bring Bang Bang in for my most special tattoos—the ones my touring team and I get at the end of a tour to commemorate another successful journey together. Each time, he’s created the definitive symbol of that era of my life.”—KATY PERRY

“Bang Bang opened my eyes to art that I was originally too scared or nervous to do. He’s passionate about who he tats on and there’s a memory with each one. I love his authenticity and passion, and of course his skill of delicate design.” —RITA ORA

“Bang Bang is the only tattoo artist I trust to put art onto my body.” —VANESSA HUDGENS

“Bang Bang is someone who has inspired me to look at tattoos as more than spur-of-the-moment, impulsive ideas, but as meaningful and precious pieces of art that I will take to my grave with me. He’s helped me to really value what I ink into my skin and how to make it worthy of being a part of me forever. His work is beyond incredible.” —DEMI LOVATO
