Ethan was a fairly normal art student when a chance encounter at a campground near Poland, Maine, changes his life forever. He's certain he's hallucinating when he finds himself on all fours, running through the forest in search of safety. He'd stop and try to get his head together but the strange men chasing him don't smell like men at all.

He finds rescue and safety at the home of Josh, another wolf-smelling man who chases the violent men away. Josh explains what's happened to him, and some of what's been done to him. When a misunderstanding and raging omega hormones lead Ethan to take things a step too far, Josh pushes him away. The pack decides that he needs to find a mate, but he can't get Josh out of his head.

Disclaimer: This book contains adult, sexually explicit content with an intense sex scene, male breeding and dominant alpha with his delicate rare omega. This should not be viewed for anyone under the age of 18. The book is approximately 5,000 words in length.
