Cyborg Vol. 1: Unplugged By David Walker

The fan-favorite Justice League hero headlines his own solo series from rising star writer David F. Walker (Shaft) and superstar artists Ivan Reis and Joe Prado (BLACKEST NIGHT, JUSTICE LEAGUE).

Victor Stone has had his share of near-death experiences—it's part of what made him the cyber-enhanced superhero Cyborg in the first place. But after his latest brush with death, something has changed with Vic's cybernetics. They're evolving, and no one can explain why!

But there's more to Vic's evolution than a new look and new powers. Something in his technology is calling out between worlds—and the message has been received by invaders who will stop at nothing to possess it. These Technosapiens aim to absorb all of humanity into their collective if it means a chance to get their hands on Cyborg.

Collects CYBORG #1-6 and the DC SNEAK PEEK: #1.
