La vida de george washington carver: de esclavo a científico = The Life of George Washington Carver (Vidas Con Legado) (Spanish Edition) By Janet Bengé, Geoff Bengé

Emocionantes historias reales de hombres y mujeres que cambiaron el mundo. Mediante un relato preciso de los hechos y un estilo narrativo absorbente, la colección Vidas con legado registra las vidas extraordinarias de hombres y mujeres fascinantes que alteraron el curso de la humanidad.

La madre de George entró en pánico al escuchar los cascos de los caballos y los gritos alborozados de los asaltantes. ¡Bushwackers! Estrechó al bebé contra su pecho y se quedó paralizada, presa del terror. De repente, un hombre irrumpió por la puerta: ¡Aquí tenemos a una, muchachos! , gritó mientras agitaba en el aire su rifle con júbilo, y arrastraba a sus cautivos al frío aire de la noche.

George Washington Carver, un esclavo al que secuestraron siendo niño, encontró la libertad aprendiendo todo lo que podía del mundo a su alrededor.

Sobreponiéndose a la pobreza y el racismo, se transformó en un científico brillante y talentoso profesor, que dedicó su conocimiento a ayudar a los granjeros negros a salir de la pobreza.

Su creatividad no conoció límites. El doctor Carver impartió generosamente su talento sin más recompensa que el simple gozo de ayudar a los demás. (1864-1943)
