Piano Moments is a collection of short stories that relate to the piano. The piano has played a significant role in my life ever since I was a child. Each person has special moments in their life that they will never be able to forget. These are some of the stories that I remember.

Each piano moment includes a Bible verse and life applications. Your life can become better if you will take the time to meditate on these reflections. While you are reading Piano Moments, try to remember stories in your life that are similar to the ones that I have shared. You do not need to be a pianist to understand and benefit from these piano moments. I am sure that you will be able to identify with these stories in one way or another.
