As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
