About the Author

So far I've ended the series of Silo 40. Not to say I'll take it back up and write a 5th episode, but it has been hot and I loose interest easy. Had a double bypass in January which took me down for a while, so I'm back to work earning a living working on anything from lawnmowers to bicycles. At the end of the day, I am too spent to write and usually end up lying on the cool tile floor in the kitchen with a fan blowing on me.

So enjoy Silo 40 the 4th episode.
