## **Editorial Review**

From the Publisher

*The definitive guide to making the best medication decisions for dental practices*

The American Dental Association® and Physicians' Desk Reference® have developed the 5th edition of the most authoritative dental guide currently available, an essential resource for today's busy dental practice. This volume features two clear, concise tables in each chapter, one for drug interactions and the other for prescribing information (including brand and generic names, dosing, adverse events, warnings, precautions, contraindications, and special dental considerations).

Updated, comprehensive and highly relevant, the **ADA®/PDR® Guide to Dental Therapeutics, 5th ed.** is the definitive guide dentists need to make the best medication decisions for their practices.
